Subject: Portland supports a balanced river cleanup

Please reject any cleanup plan that doesn't respect the harbor's important role in our economy.

I agree that cleaning up the Willamette is important but it can't be one that is so expensive and inflexible that it threatens small businesses in the Portland Harbor. The companies that work in the harbor are so, so important to our economy.

I know you care about our community and our economy. Thank you for reading and for doing what's best for our region and our jobs.

Sincerely,
